Learning outcomes					
<p>Shokyu Kaiwa 2 is one of the Study Program-based core professional courses that all students of the Japanese language education department must attend in the first semester. After attending this lecture, students are expected to be able to speak using simple sentences according to the theme given in the scope of daily life, by implementing grammar learned in this lecture into conversation and role plays. To determine the level of student mastery of subject material, apart from the Mid-Semester Examination and the End Semester Examination, evaluation is also carried out on attendance, participation, and assignments. The main literature used in this course is <i>Shokyyu Kaiwa 2 (2nd Semester)</i> made by the teaching team of Shokyyu Kaiwa 2, Japanese Language Education Department, FPBS UPI.</p> <ul style="list-style-type: none"> - Understand and master Japanese phrases used in the context of conversations with interlocutors talk - Students can respond to each other with the right language and expression - Students can communicate actively in Japanese both with friends on campus, especially the Japanese Language Department, friends, Japanese friends, and native speakers under any circumstances <p>S5 Respect the diversity of cultures, perspectives, religions and beliefs, as well as the original opinions or findings of others.</p> <p>S6 Work together and have social sensitivity and care for the community and the environment.</p> <p>S8 Internalize academic values, norms and ethics.</p> <p>P2 Master the theoretical concepts of Japanese language, linguistics, and culture and its' research in the context of Japanese language teaching and learning.</p> <p>KU1 Able to apply logical, critical, systematic, and innovative thinking in the context of the development or implementation of science and technology that regards and applies humanities values in accordance with the field of Japanese language education.</p> <p>KU7 Able to be responsible for the achievement of group work and to supervise and evaluate the completion of work assigned to workers under their responsibility.</p> <p>KU8 Able to carry out the self-evaluation process of the work group under their responsibility, and</p>					

able to manage learning independently.
